Article VIII section 3.A.4.b (Filling midterm vacancies in elected office at the legislative level)

Current language

b. The nomination process and voting shall be the same as used at the most recent Party Nominating Convention;

Proposed amendment

b. The nomination process and method of voting shall be the same as used at the most recent Party Nominating Convention (except for filing with the county Clerk, paying fees, allowing nominations from the floor, and the 60% voting threshold);

Rationale

This will correct any conflict with the Bylaws, and remove any inconsistencies with the “Convention Rules” in filling vacated Legislative seats.
