

## **Thank you for serving your precinct as a 2022-2024 County Delegate!**

The 2023 Salt Lake County Republican Party Organizing Convention will be held on March 11, 2023, at Cottonwood High School. Convention activities begin Friday night, March 10th, with a Candidate Meet and Greet from 6:00-9:00 p.m. Come and visit with candidates and other political interest groups at their booths! Both State and County delegates are invited to this Meet and Greet.

### **Check-in and Registration**

On Saturday morning, registration for delegate credentials will take place from 8:00-10:00 a.m. in the gym. Registration will be alphabetical by last name. A photo ID is required for check in. The Call to Order begins promptly at 10:00 a.m. Delegates are late after 10:00 a.m. and must check in at the Help Desk. Please arrive early to ensure participation.

### **Event Booths**

Booths will also be open from 8:00-10:00 a.m. Come early to avoid long registration lines and meet with candidates, elected officials, and political interest groups.

### **Time Investment**

The Convention will most likely be completed by 2:00 p.m. While we are doing everything possible to make the Convention run efficiently, please plan to stay until the meeting ends. You owe it to yourselves, the candidates, your precinct, and fellow Republicans. Our goal is to have 100% of the delegates vote in all the races and participate in adopting proposed platform amendments. Please do not leave early.

### **Party Pack**

Be among the first to have party gear with the new party logo and support the party at the same time! Purchase your Party Packs and Party Blankets now at [slcogop.com](http://slcogop.com) and pick them up at the convention.

### **Other**

Here are a few points to help the Convention be productive and enjoyable.
