1. The sponsor or designee may speak for up to three minutes.
2. Additional speakers have one minute each, alternating between support and opposition when possible until 3 have spoken for and 3 against. No one may speak twice unless all speakers have had a turn.
3. Amendments are allowed. Proposed wording must be clearly stated before debate and voting on the amendment.
4. Total debate on each resolution, including amendments, is limited to ten minutes. The committee may extend debate by a two-thirds vote.
5. When debate ends, the CCM votes on any pending amendment, then on the resolution as amended. Adoption requires a majority vote unless the bylaws require more.
